Prospective buyers are strongly advised to examine personally any property in which they are interested, before the auction takes place. If a bidder is unable to view an item in person, they are responsible for obtaining/requesting a condition report and/or additional photographs prior to bidding to determine an article's condition, size and any other pertinent information. We strive to be fair and forthright with our descriptions and condition reports, however bidders must acknowledge that antique items often show normal signs of use and wear, which might not be specified in a condition report. If you are very particular with expectations of perfection for the items you purchase, it is advisable that you inspect items in person or that you do not submit absentee bids, as your definition of condition may be more exacting than a specialist could have time to verify.

Condition Reports

Our specialists will respond to condition report requests as quickly as possible. Please understand that we get many requests and we make every effort to respond to all of them in a timely fashion. Kamelot reserves the right to reject a condition report/additional photograph requests when, in our opinion, the value of the object is not commensurate with the time necessary to complete the request.

Bidding Information

Bidding Increments:

• \$ 0.00 – \$ 499.00	\$ 25.00
• \$ 500.00 – \$ 999.00	\$ 50.00
• \$ 1,000.00 – \$ 1,999.00	\$ 100.00
• \$ 2,000.00 – \$ 4,999.00	\$ 200.00
• \$ 5,000.00 – \$ 9,999.00	\$ 250.00
• \$10,000.00 – \$ 19,999.00	\$1,000.00
• \$20,000.00 – \$ 49,999.00	\$2,000.00
• \$50,000.00 – \$ and higher	\$5,000.00

Please check and comply with these increments. In case of failure to comply, we will increase each off-increment bid to the next higher figure. "Plus" bids: because of our structured bidding increments, it is more likely that several people will leave identical bids. Since an earlier bid left with the auction house wins in the event of a tie, a later bid placed with an added "plus" bid to the next increment wins the piece. All unreserved bidding starts at 50% of the low estimate unless there are two or more competing absentee bids at a price higher than that. (For example, a lot estimated at \$1,000 - \$1,500, with no reserve, will normally open at \$500). If there are two absentee bids for \$600 and \$800, the lot will not be sold for less than \$650.

Buyer's Premium/Payment

A buyer's premium of 20% will be added to the successful bid price of each lot that you purchase and is payable by you along with applicable tax which is added to the total cost of your purchase. Buyers will be required to pay the State of Pennsylvania Sales Tax of 6% as well as the City of Philadelphia Sales Tax of 2% for a total of 8% at the time of payment unless the items are shipped out of the state of Pennsylvania or the buyer provides Kamelot with a valid Tax Exemption Number and fills out an Exemption Certificate (available upon request). This is Pennsylvania State Law and applies to anyone picking up items regardless if you bid on the items outside the state of Pennsylvania. All property shall be paid for by the purchaser within five (5) business days of the sale. Kamelot Auctions accepts cash (in-house only), personal checks, business checks, certified checks, and money orders. **We do not accept credit cards.** Please note our policy regarding payments from international buyers. The only acceptable method of payment for purchases made from outside the U.S. is a bank wire/bank transfer. For invoices more than \$1000.00, there is no additional fee for this service. For invoices less than \$1000.00, please include an additional \$25 wire fee. We will forward our bank wiring information after completion of the auction. Thank you for your understanding and cooperation.

Pickups

All purchases must be removed within 15 days after an auction. Property not removed from our facility after 15 business days will be moved to an off-site storage facility at a charge of \$10.00 per day payable by the buyer. The week following the sale, Kamelot will provide labor to help assist buyers/shippers with their purchases. Buyers and/or their shippers must pack/wrap and load their items. If items are picked up after the first week, please be aware that labor may not be available to assist buyers/shippers with their purchases.

Shipping

Kamelot does not provide in-house shipping. We can, however, provide a list of reputable shippers upon request. All shipping arrangements should be made at the time of payment and no later than one week after the day of sale.
