They may be amended by posted notices or oral announcements made during the sale. By bidding at auction you agree to be bound by these terms.

### 1. BEFORE THE SALE

Except as stated in the Limited Warranty in paragraph 5 below, all property is sold "as is" without any representation or warranty of any kind by Kamelot or the seller. Buyers are responsible for satisfying themselves concerning the condition of the property and the matters referred to in the catalogue entry.

#### (a) Examination of property

Prospective buyers are strongly advised to examine personally any property in which they are interested, before the auction takes place. If a bidder is unable to view an item in person, they are responsible for obtaining/requesting a condition report and/or additional photographs prior to bidding to determine an article's condition, size and any other pertinent information. We strive to be fair and forthright with our descriptions and condition reports, however bidders must acknowledge that antique items often show normal signs of use and wear, which might not be specified in a condition report. If you have very particular taste, it is advisable that you inspect items in person, as your definition of condition may be more exacting than a specialist could have time to verify.

#### (b) Condition reports

Our specialists will respond to condition report requests as quickly as possible, however please be patient. We get many requests and we make every effort to respond to all of them in a timely fashion. Kamelot reserves the right to reject a condition report/additional photograph requests in which, in our opinion, the value of the object is not commensurate with the time necessary to complete the request.

#### (c) Catalogue and other descriptions

All statements by us in the catalogue entry for the property or in the condition report, or made orally or in writing elsewhere, are statements of opinion and are not to be relied on as statement of fact. Such statements do not constitute a representation, warranty or assumption of liability by us of any kind. References in the catalogue entry or the condition report to damage or restoration are for guidance only. The absence of such a reference does not imply that an item is free from defects or restoration, nor does a reference to particular defects imply the absence of any others. Estimates of the selling price should not be relied on as a statement that this is the price at which the item will sell or its value for any other purpose. Except as set forth in paragraph 5 below, neither Kamelot nor the seller is responsible in any way for errors and omissions in the catalogue or any supplemental material.

#### (d) Reserves

Unless otherwise indicated, lots offered may be subject to a reserve, which is the confidential minimum price below which the lot will not be sold. The reserve will not exceed the low estimate printed in the catalogue.

### 2. DURING THE SALE

All unreserved bidding starts at 50% of the low estimate unless there are two or more competing absentee bids at a price higher than that. (For example, a lot estimated at \$1,000 - \$1,500, with no reserve, will normally open at \$500. If there are two absentee bids for \$600 and \$800, the lot must sell for \$650, even if there is no further bidding from the phone, internet or from the live audience.

#### (a) Absentee bids

Kamelot requires all absentee bids be submitted no later than 7:00pm on the business day prior to the auction. If you fax your absentee bids, please call to confirm receipt. All absentee bidding is handled as though you are in attendance. Kamelot will purchase all designated lots for you one bidding increment above where competition stops. Absentee bidding is a convenience offered to our customers and, while we will make every effort to execute your instructions, Kamelot Auctions is not liable or responsible for any errors or failure to do so.

### Bidding Increments:

0 - 499	\$25.00
500 - 999	\$50.00
1000 - 1999	\$100.00
2000 - 4999	\$200.00
5000 - 9999	\$250.000
10000 - 19999	\$1000.00
20000 -	\$2000.00

Please check and comply with these increments. In case of failure to comply, we will reduce each off-increment bid to the next lower figure. "Plus" bids: Because of our structured bidding increments, it is more likely that several people will leave identical bids. Since an earlier bid left with the auction house wins in the event of a tie, a later bid with an added "plus" bid to the next increment would win the piece. (NOTE: Absentee bids left on Live Auctioneers or eBay Live Auctions are sent to the auction house during the actual sale. There is no time advantage to leaving bids in this fashion.)

### (b) Phone bids

Kamelot requires all phone bids be submitted no later than 7:00pm on the business day prior to the auction. If you fax your phone bids, please call to confirm receipt. One of the reasons people bid by phone is to monitor how much they are spending. However, if you bid by phone, you must be willing to bid to the low estimate should the bidding go that far. There is no exception to this rule. All requests for overseas telephone lines must be accompanied by absentee bids, which will be executed on the buyer's behalf, should there be a problem executing the telephone bid.

### (c) Internet bids

Kamelot Auctions is able to provide live bidding via [kamelotauctions.com](http://kamelotauctions.com), eBay Live or Live Auctioneers. However, the user of these sites indemnifies and holds Kamelot Auctions and its consignors harmless against any claim arising out of or resulting from your use of any or all of these sites, including all losses, damages, liabilities, and all fees (including attorney's fees), costs, and expenses incurred in connection with any claim. Under no circumstances, including, but not limited to, negligence, shall Kamelot Auctions and its consignors be liable for lost profits or any special, incidental, or consequential damages that result from the use of, or the inability to use, these sites.

### (d) Auctioneer's discretion

The auctioneer has the right at his absolute and sole discretion to refuse any bid, to advance the bidding in such a manner as he may decide, to withdraw or divide any lot, to combine any two or more lots and, in the case of error or dispute, and whether during or after the sale, to determine the successful bidder, to continue the bidding, to cancel the sale or to re-offer and resell the item in dispute. If any dispute arises after the sale, our sale record is conclusive.

### (e) Successful bid and passing of risk

Subject to the auctioneer's discretion, the highest bidder accepted by the auctioneer will be the buyer and the striking of his hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between the seller and the buyer. Risk and responsibility for the lot (including frames or glass where relevant) passes to the buyer at the expiration of three calendar days from the date of the sale or on collection by the buyer if earlier.

## 3. AFTER THE SALE

### (a) Sales results

Results are available by phone and on the web at [www.kamelotauctions.com](http://www.kamelotauctions.com). Sales results are available no earlier than 2 p.m. on the first business day following the auction or as soon as the Auction House has audited and verified all sales. Please do not call prior to this time for results, as they will not be given out under any circumstances. We thank you for your understanding in this matter.

## Conditions of Sale (cont.)

A buyer's premium of 15% (or 20% if bidding through eBay Live Auctions or Live Auctioneers) will be added to the successful bid price of each lot that you purchase and is payable by you, along with applicable tax which, is applied to the total cost of your purchase. Buyers will be required to pay the State of Pennsylvania Sales Tax of 6% as well as the City of Philadelphia Sales Tax of 1% for a total of 7% at the time of payment unless the items are shipped out of the state of Pennsylvania or the buyer provides Kamelot with a valid Tax Exemption Number and fills out an Exemption Certificate (available upon request). This is Pennsylvania State Law and applies to anyone picking up items, regardless if you live or bid on the items outside the state of Pennsylvania.

### (c) Payment and passing of title

All successful bidders will be sent invoices by mail or e-mail the first business day after the auction. All payments are due immediately upon receipt of invoice and should be received by Kamelot Auctions no later than 5 business days after the auction. Acceptable payment methods include cash, certified checks, money orders, or personal check. The buyer will not acquire title to the lot until all amounts due to us from the buyer have been received even in circumstances where we have released the lot to the buyer.

### (d) Remedies for non-payment

If the buyer fails to make payment in full in good cleared funds within the time required by paragraph (c) above, we shall be entitled in our absolute discretion to exercise one or more of the following rights or remedies (in addition to asserting any other rights or remedies available to us by law):

- (ii) to hold the defaulting buyer liable for the total amount due and to commence legal proceeding for its recovery together with interest, legal fees and costs to the fullest extent permitted under applicable law;

The buyer will thereafter be assessed a storage charge of \$10 per day. All associated charges must be paid in full before the property will be released. Property that has been paid for but remains unclaimed for more than 120 days will become the property of Kamelot Auctions.

### (f) Shipping

Kamelot does not provide in-house shipping, but will assist bidders in arranging for the shipment of their items by providing a list of reputable shippers. All pickups or shipping arrangements should be made at the time of payment, but no later than 15 days from the sale.

### (g) Export license

Unless otherwise agreed by us in writing, the fact that the buyer wishes to apply for an export license does not affect his or her obligation to make payment immediately upon receipt of an invoice, nor our right to charge interest or storage charges on late payment. If the buyer requests us to apply for an export license on his or her behalf, we shall be entitled to make a charge for this service. We shall not be obliged to rescind a sale nor to refund any interest or other expenses incurred by the buyer in circumstances where an export license is required.

#### 4. EXTENT OF KAMELOT'S LIABILITY

We agree to refund the purchase price in the circumstances of the Limited Warranty set out in paragraph 5 below. Apart from that, neither the seller nor we, nor any or our officers, employees or agents, are responsible for the correctness of any statement of whatever kind concerning any lot, whether written or oral, nor for any other errors or omissions in description or for any faults or defects in any lot.
